

Strong and Free

Lord, as we defend our land,
Ready now to take our stand,
Keep our hearts by Your command,
Ever strong and free.

Strong and free,
Strong and free,
With Your blessing may we be,
Ever strong, ever free.

Should we be compelled to fight,
Side by side in darkest night,
Lord, protect us with Your might,
Ever strong and free.

Strong and free,
Strong and free,
With Your blessing may we be,
Ever strong, ever free.

Lord, be with the ones who fall,
In response to duty's call,
Giving self to keep us all,
Ever strong and free.

Strong and free,
Strong and free,
With Your blessing may we be,
Ever strong, ever free.

Grant us wisdom, Lord, we pray,
As we strive for peace each day.
In our struggle, help us stay,
Ever strong and free.

Strong and free,
Strong and free,
With Your blessing may we be,
Ever strong, ever free.
